

JANUARY 2006

Fisco at Totally Tools

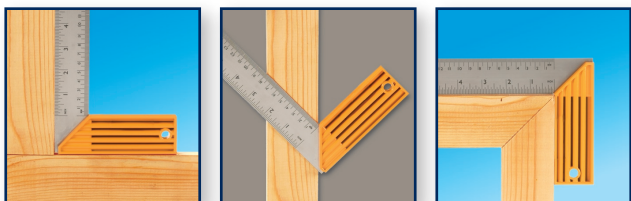

Measuring is a vital part of any job. Get it wrong and the whole project is spoilt. So it makes sense for your customers to use the very best measuring tools - designed by specialists from the ground up to be accurate, reliable and easy to use.

Innovative tools

Come to the show and see innovative, ergonomic professional tools like the BigT

New tools

And there are new innovative tools like the lightweight, yet extremely tough No. 80 try and mitre square with deep etched stainless blade.

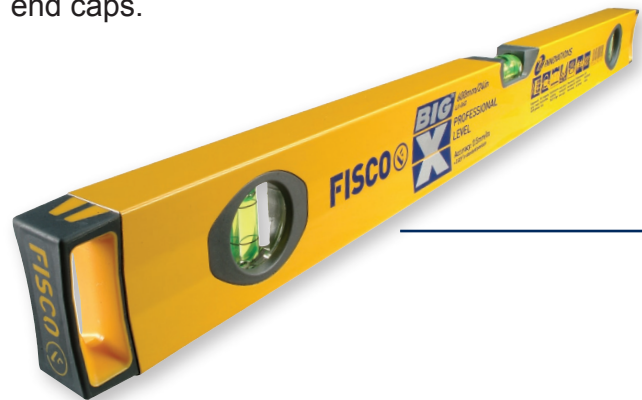

Amazing discounts

There are a host of remarkable deals with discounts of up to 62.5% on some of the level deals! (available on orders placed at the Fisco stand only)

with seven unique user benefits, including a rapid click-in belt holster. Or the remarkable BigX professional level with its 30% larger magnifying vial and tough, shock absorbing end caps.

And 10% extra off everything else!

Bring this leaflet with you and you can get an extra 10% off everything you order at the show (excluding the special show deals, winter 2006 promo deals and electronics of course, where your extra discount is already built in).

Two stands

See all the products on our stand No E79 or, in the Toolbank section, on our stand No G90 where the emphasis is on the superb range of Fisco levels.

10% OFF

This coupon entitles the bearer to 10% extra discount on all orders placed at a Fisco stand at Totally Tools 2006 excluding special show deals, winter 2006 promo deals and electronics.
