

FISCO FCL FLOOR- CROSS LINE LASER

**MAKES FAST WORK OF LAYING
FLOOR TILES**

Made for Professionals by Professionals

SIMPLY ALIGN AND LAY!

Setting floor tiles rapidly and accurately is no longer a problem with the Fisco Floorcross line laser. Simply align the laser and lay tiles up to the clear projected lines. The unique crosshair on the floor make set-up quick and easy and simplifies

your day-to-day work. The adjustable foot and vial allow for the laser to be used on uneven floors and tiles up to 5mm thick can be laid right up to and under the unit.
